George Walas – *Managing Partner*

Crop and blow up George (at left), let us know if the quality is poor.

George was raised in Los Angeles, CA, a graduate of California Valley State College, and brings 25 years of Quick Service Restaurant Management experience to TerraBurger. He has held several long-term, multi-unit management positions at National chains, including:

*District manager of McDonald's in the Los Angeles area (12 years);

*District Manager for Taco Cabana in Austin, TX (5 years);

*Central Texas' Regional Manager of Sonic restaurants (8 years).

During his career, George has received numerous performance awards and professional recognition.

Michael Vucurevich – *Outside Consultant*

“Mike V.” is a Senior Principal of [VSAG Consulting Group](http://www.vsag.com), ([link to www.vsag.com](http://www.vsag.com)) a professional group of lifetime restaurateurs. He brings a wealth of restaurant knowledge to the mix as our chief outside consultant.

Also from the Southern California area, Mike led the Cheesecake Factory from 2 units, through an IPO, into a national powerhouse esteemed within the food service industry.

As Chief Operating Officer of Eatzi's Market and Bakery, he worked with founder Phil Romano to grow the operation from \$6million to over \$60 million.

Operations Management Team

Our store managers and assistant managers draw their management experience from both local Austin food service businesses, and large National chains, including Kerbey Lane Cafe, Baby Acapulco's, Sonic, Alamo Drafthouse, Starbucks, Whole Foods Market and many more:
